8 Cars Sacked By Kid Vandals At Stamford Hall

Eight students' cars, parked behind Stamford Hall, were ransacked early Tuesday morning. Damage was estimated at about \$75.

Hardest hit by the vandals was the automobile owned by Jim Castle. Castle reported that his car battery, a camera and a University Gym bag stolen.

Det. Richard Kennedy of the Bridgeport Police Department who investigated the incident stated, "It was probably just a bunch of kids. We have had a lot of trouble down there (near the University) with this sort of thing." The detective sees little chance for catching the vandals.

Dr. Alfred R. Wolff, director of Student Personnel, commented on the incident, saying, "It is a very regrettable situation. I hope that it can be rectified."

Other victims and their reported damage were: William Koke, both battery connections broken and one of the battery brackets stolen; George Muzea, attempt to open the hood, and two or three gallons of gas drained from the tank; Herbert Solomon, broken side window; Douglas Powers, broken side window, broken antenna, and rifled glove compartment; Robert Hagstrom, door forced open and a screw driver stolen from the glove compartment; William Barstow, hood opened, and an attempt to take the battery; and Donald Dyson, car door opened.

Now It's Officially Spring!

Photo by JOHNSTON

Sophomore Ed Clark To Fill Jasper's Job

Ed Clark and Ed Pistey copped the two highest City Hall posts in the University's annual Bridgeport Day election. Clark will fill in for Mayor Jasper McLevy, while Pistey will serve as president of the Common Council. The two will take office tomorrow.

Extra Whiz Takes Bows With Best

The usual 40 were 41 this year at the annual scholars' dinner held last week in honor of the 10 top students in each class. Forty-one students received honors at the affair sponsored by the University Council of Deans because of a tie in the senior class. Students honored are listed in order of academic standing:

Seniors: Marilyn Case, Pittsfield, Mass.; Judith Chellberg, Bristol; David Barr, Bridgeport; Joanne Nealon, Bridgeport; Robert D'Andrea, Bridgeport; Andrew Wargo, Fairfield; Robert Encke, Bridgeport; Marilyn DeMotses, New York, N. Y.; Robert Stehle, Bridgeport; Salvatore Signore, Stamford; and Barbara Collins, Stratford.

Juniors: Harry Sinclair, Bridgeport; Margaret Fenick, Bridgeport; Jeannette DiBiase, Milford; Margaret Burbank, Stratford; Paul Nemergut, Stratford; Robert Scholl, New Canaan; Joseph Bacevycius, Bridgeport; Albert Hromjak, Bridgeport; Robert Cahill, Bridgeport.

Sophomores: Frank Waters, Bridgeport; Werner Egli, Bridgeport; Lynn Kerr, Red Bank, N. J.; Robert Manger, Shelton; Sally Hubbell, Albuquerque, N. M.; Edith Thor, Westport; Richard Shepard, Bridgeport; Norman Lake, Hamden; Richard Zunker, Bridgeport; and William Losaw, North Haven.

Freshmen: Charles Gough, Waterbury; Marilyn LoPenta, New Britain; Rhoda Prescher, Plantsville; Jerome Congress, Pittsfield, Mass.; Phyllis Whitney, Bridgeport; Robert Isham, Brightwaters, N. Y.; Louise Nicol, Stratford; Patricia Murren, Bridgeport; Norma Faas, Glenside, Pa. and David Mintell, Milford.

Clark, a sophomore majoring in psychology and industrial journalism, is a member of Sigma Lambda Chi fraternity and the Alumni Hall Program Committee.

Commenting on his newly acquired office, Clark stated, "I will try to do a good job. My primary interest is to try and build even better relations between the City of Bridgeport and the University."

"It was a lot of fun running, and I think that it is essential to have this sort of plan to help the student to become more civic minded. It is things like this that will impress upon the student his obligation to vote."

Pistey is a sophomore majoring in education. He lives in Stratford, Conn.

Apparently one student is perfectly satisfied with the present Bridgeport administration. Jasper McLevy received one write-in vote for mayor.

The results of the Common Council representatives were not available at press time.

'Thunder' Sets Election Date

Knights of Thunder will hold their election Wednesday, May 15, at the Drama Center.

Bill Bartlett, president of the Knights, announced that an election for president, vice-president, secretary, alumni secretary and treasurer will be held.

Bartlett also announced the following positions will be chosen at the May 15 meeting: A four man Thunder advisory committee, parliamentarian, program chairman for Thunder, cast party chairman, building chairman, initiation chairman, stage manager, rehearsal chairman and social chairman.

A new headquarters for the Knights is now in the process of being built in the upstairs of the Drama Center. Bartlett also stated that a group of members have been putting in time glamorizing the Drama Center.

First Draft Completed On Men Dorm Rules

A special Constitution Committee of the Men's Senate put the finishing touches this week on an outline that will serve as the guide line for a formal constitution regulating male students living in dorms.

Herb Gruber and Torry Brainard, president and vice-president, respectively, of the Senate, served as the committee and hope to put their suggestions before the entire body in the near future.

Until now the Men's Senate had never felt the need to have a formal constitution, but, according to Brainard, with the expansion of dorm facilities for men and the obvious increase in senate membership, a stronger set of rules are necessary.

Administration spokesmen have stated in the past that many of the dorms now used to house coeds will be turned into male dorms with the completion of Chaffee Hall this summer. This would not only alleviate the housing shortage near campus but would substantially bring more men into the on-campus community.

Along with the constitution announcement, the Vice President stated that plans for a Big Brother movement were being formulated for next September. The Big Brother movement is similar to the Big Sister operations now used by the coeds. Under this plan, all incoming freshmen are assigned to an upperclassman, who help them adjust to campus life.

Top Posts Open On Alumni Board

Students, who in September of 1957 will be juniors or seniors, are eligible to apply for the Alumni Hall Board of Governors.

The Board of Governors is made up of six students together with representatives from the administration and the Alumni Association.

The board determines policy for Alumni Hall and the students will be chairmen of those committees which implement policies. This includes such committees as the Alumni Hall Program Committee and will also be concerned with the future development of a Student Union at the University.

Students may apply in the form of a letter stating their qualifications and why they feel they should be on the Board of Governors. The letter should be addressed to the president of the Student Council, Bob D'Andrea, and turned into the Office of Student Activities no later than 3 p.m., tomorrow.

Feldman to Head Political Forum

The Political Relations Forum, the organization responsible for regulation of all campus elections, has elected a new slate of officers for the coming year.

Allan Feldman, a sophomore majoring in marketing, will fill the president's post vacated by Bob D'Andrea.

Judy Carr, a junior in physical education, will be vice-president.

Grace Chanovitt, a sophomore majoring in education, won the corresponding secretary's position and Robert Scholl, leading University debater, was selected recording secretary.

Rachel Smith, a sophomore in the College of Arts and Science, will serve as treasurer.

University to Honor Dr. Petitjean

Dr. Charles Petitjean

Dr. Charles F. Petitjean, associate professor of marketing and chairman of the general business department, College of Business Administration, will receive the Distinguished Teaching Award at

the University's fourth annual Charter Day Dinner tonight at 7 p. m. in the Gym.

Dr. Petitjean has been with the University for 12 years, and has served as chairman of the general business department since its inception in 1947. He received his Ph.D. from New York University in June, 1956.

Dr. John Millis, president of Western Reserve University, will present the citation to Dr. Petitjean. Dr. Millis will speak on "The Developing Role of the Urban University."

The dinner, sponsored by the University's Board of Associates, commemorates the origin and progress of the University since its founding as the Junior College of Connecticut in 1927.

Dr. George A. Buckout, vice president, Board of Associates, will preside. Robert D'Andrea, president, Student Council, will present greetings on behalf of the students.

Rabbi Harry Nelson of Congregation Rodeph Shalom will give the invocation.

Dr. Eaton V. W. Read, dean of the College of Business Ad-

ministration, will introduce the recipient of this year's citation for distinguished teaching. Dr. Buckhout will present the citation which is bestowed annually upon a University of Bridgeport teacher who is revered as a teacher and a scholar by his students and colleagues.

A report on the progress of the University will be delivered by Dr. Henry W. Littlefield, vice president, Alfred V. Bodine, chairman of the Board of Trustees, will speak on "The Significance of the University Charter," after which Pres. James H. Halsey will respond.

Dr. Buckhout is general chairman of the Charter Day dinner and William M. Paxton is vice-chairman. They have been assisted by Dr. M. David Deren and Chester A. Dundore, arrangements; George E. Quandt and Mrs. Richard T. Staples, tickets; Harold A. Swaffield and Dr. Eugene F. Kalman, program; Mrs. J. Arthur Topham and Edward F. Bodine, hospitality; and Mrs. Joseph M. Fennell and Augusta Menden, decorations.

Caprio to Run Week

Vinny Caprio, Student Council administrative assistant, has been elected Freshman Week Chairman by the council and will hold a planning meeting in the Student Lounge, Alumni Hall, at 3 p. m. on Monday for all persons who are interested in serving on the committee.

Caprio suggested that anyone not able to attend should leave their name and address in the Council mail box.

Gym is Formally Opened

Photo by JOHNSTON

Dr. Shane MacCarthy, second from left, executive director, President's Council on Youth Fitness, was the keynote speaker at the recent Gym dedication ceremonies. Dr. MacCarthy spoke on "Education for Fitness." Shown also are (l-r): Pres. James H. Halsey; Dr. Herbert E. Glines, director of athletics; Dr. David A. Field, director of Arnold College; and Vice-Pres. Henry W. Littlefield.

The dedication ceremony high-

lighted a week of tribute to the new building. Each night during the week, the Gym was opened to the public to view displays and watch demonstrations of physical fitness and athletic skills.

The week was climaxed Sunday with the Wistaria Pageant, this year's theme being, "A Salute to the Gymnasium." The pageant was presented by the Office of Campus Productions, written and directed by Prof. Albert A. Dickason.

Along Park Place

by Vinny Caprio

Amid the splendor and grandeur of the blooming Wistaria, lovely Audrey Thilo reigned as Queen of UB's Wistaria Weekend. While upon her regal throne she witnessed many affairs of the heart. Influenced by the graciousness of the serene one, Dan Cupid's amorous arrows pierced many of the UB hearts. Strong and weak alike succumbed to advances of both sexes once they were struck by this paramour's dart.

Sincere wishes are extended to steel typhoon John Kirchner and his lovely new bride Jacquelyn Ecker. Jackie is teaching school while waiting for Little John to complete his courses in I. R. John, be sure to warn her about the overhead conveyers!

Caprio

Robert Gabor, former member of the Leathernecks, surprised pretty Annette Verrilli with one of the items that makes a girl's heart skip a beat or two. Rob assumed the position of all young men proposing when Annette returned from Trinity College.

Shirley Gordon, of Milford Hall, has set the date for receiving her MBS degree. The lucky fellow is Bill Bernstein, a graduating senior of Albany College of Pharmacy. A sunny fall day has been chosen for the walk down the aisle, and then it is off to a happy life in California.

Saturday may have been picnic day for the APO fraternity, but one brother will call it his pin day. Dick Pfabe gave his revered APO pin to vivacious Rita Riley.

Nick Panuzio, who for the first time in years, isn't running for any office, finally pinned his lovely playmate June Bartram. The blue and gold of SLX is very becoming for June who is presently beautifying the office of the Bridgeport City Trust Company. Until now, Nick was an IR major.

The chubby little chap, who delivers sandwiches to the dorms, one Melvin Zimmerman, used all the line available in convincing the pretty Anne Friedman to accept his pin. Anne, a history major, certainly chose the appropriate man to tell her all about history. The chubby chap is studying marketing—food—that is.

A carload of orchids should be given to the Fair Ladies of Theta Epsilon for the splendid job they did of collecting con-

tributions to the Cystic Fibrosis Campaign. Once again we see evidence of constructive and humanitarian work being done by a UB organization.

Back to the pinnings, Dave Johnston, a journalism major, adorned the sweater of charming Joan Watchmaker with the Delta Chi pin of UConn. Dave is the fellow responsible for editing all of the Scribe's feature stories.

BG's clown princess, Marion Tukey, now sports the Alpha Sigma Phi belonging to Charlie Donnelly from UConn. "Turk" can be found bringing down the house in Linden Hall. Our Schiott Hall informer tells us that pretty Mitzi Vass is pinned to Bernie Goldberg. Mitzi is majoring in liberal arts and Bernie in mechanical engineering.

Care for a bit of culture. Then contact Marge Fenick concerning a cultural tour of N. Y. museums. The trip is scheduled for Monday, May 13, and will be under the supervision of Dr. van der Kroef. You'll be back in time to attend your evening classes.

Fashion merchandising major Jackie Miller and Ronny Krause have decided to become a steady duo. Jackie is one of Seaside Hall's gifts to BG and Ronny is an able-body SPA man.

In the middle of a steak dinner at the Housatonic, Saturday night, Bubby Fraunhafer was

given the news that he was the father of an 8lb. 11oz. girl! Like any other nervous and excited husband would have done, he calmly finished the steak before taking off for the hospital. Don't forget the cigars, Bubby!! The Stork also paid a visit to B. J. (Thompson) and Jim Profetto on Saturday night. BJ presented Jim with a bouncing baby boy.

Knights Start Second Half Of Schedule

by Roger Lefkon

As they entered the final half of their 1957 schedule, the McKeonmen still continued to play only mediocre ball, dropping a 7-3 decision to New Haven State Teachers, on Wednesday, before coming back to whip Upsala College, 4-0, on Saturday. Bridgeport's record is currently five up and eight down.

Wednesday's contest saw the Teachers jump off to a commanding 7-0 lead, before the Knights finally begin to move. Held in check for seven innings by the fine pitching of Johnny Farrell, UB rallied for one run in the eighth, as Charley Pike, making his first appearance since the Springfield game, led off the frame with a pinch single. Joe Candella also hit safely to account for Bridgeport's first run.

In the ninth it was Gary Engler who sparked a two-run rally as he singled just inside first base to cut New Haven's lead to 7-3. With two on and two out Joe Candella picked out one of Farrell's offerings and sent it soaring out to deep centerfield. Only a superlative back to the plate running catch by the Teachers' centerfielder kept the ball from being a home run.

Norm O'Donnell took the loss for the Knights, with Larry Babich and Bob Sullivan relieving. This was Babich's seventh appearance of the season. UB had tough luck at the plate as many of its hits were line drives, that if they had been pulled a little more, either way, may have proved to be the difference.

Returning home on Saturday, Bridgeport played host to a very tough Upsala nine, and avenged last year's defeat by shutting them out, 4-0, behind the blazing fastball of Pete Brown. In evening his record at 2-2, Brown struck out 12 without walking a batter.

All four of Bridgeport's runs came in the first inning.

Peters led off by reaching first via third baseman Richie Mengall's boot. Peters then stole second, but was cut down trying to swipe third. Beresnyak and Sveda then followed with singles, Sveda scoring on an overthrow by the rightfielder. Catcher, Johnny Aslan then accounted for the only earned runs in the game by doubling up the left centerfield alley on a three and two pitch, to cap off UB's four run outburst in the first frame.

Brown made this lead stand up the rest of the way, allowing only four scattered safeties over his nine innings. His curve was working beautifully, but it was his blazing fast ball that he called on whenever he needed to make the big pitch—which wasn't very often.

Bridgeport will travel up to Providence tomorrow before returning home to entertain their perennial rivals, Fairfield University on Monday. The Knights will be out to square things with the Stags for a setback earlier this season.

DATE SET FOR MAKE-UPS

Students must have their applications for the make-up period scheduled for May 18 at 10 a. m. in the Office of Student Personnel before noon on Wednesday, May 15. This three-day period enables instructors sufficient time to prepare make-up tests.

Freshmen Nine Wins Two; Even Season's Record, 3-3

With some clutch batting and pitching the yearlings of Lou Saccone pulled two ball games out of the fire and evened its season record at 3-3.

The Knights stopped an inspired Milford Prep team, 5-4, at Seaside Park last Wednesday, and after losing an early lead, rallied to overcome Cheshire Academy, 17-12, in extra innings on the road.

Prep came to town coached by former UB baseball star, as well as former assistant coach, Ronnie Kraus, and gave the Knights a tremendous battle before losing by a 5-4 count as Hugo Papstein hung up his second win of the season.

Next came a return game with Cheshire, who had previously bowed to the Knights by a 16-1 score and once again Papstein was the starting hurler. For the first time this season Papstein was knocked from the box and was relieved by righthander Ralph King, who in turn was lifted in favor of Matt Kaishan, after pitching four strong innings.

Going into the ninth the Knights led 12-8, but a hustling Cheshire squad tied the score before lefty Charley Doyle quieted

the rally. The Knights seemingly controlled the lead as Laemel blasted his third hit of the day, a three-run homer in the eighth to give Kaishan the lead. But, it was Doyle, who masterfully set the home forces down until the Knights again exploded for five runs and won 17-12. Outfielder Tony Granger and Laemel were the hitting stars with three hits apiece.
